

Solano Verde Ranch HOA

Association Payments:

Your first assessment billing from Real Support includes any previous balance from records we have received from your previous management company. If there are any discrepancies or payments you have made are not reflected on this statement please contact our office. During the transition time the grace period for assessment payment has been extended, however, we encourage you to pay on time.

If you process your payments automatically with you bank or have an automatic withdraw authorization given to your previous management for the assessment payment, please discontinue direct deposits to Gold Coast Management. Complete the enclosed form and submit the form to our office for processing with the new association's bank. The process will take some weeks and you will be notified when the automatic debit is set up. Meanwhile submit your payment via checks.

Annual and Recall Meeting:

This will also serve as an reminder that there is a recall and election meeting scheduled for the Solano Verde Ranch HOA

On May 6, 2009, at 7:00 PM at the Somis Union School

Your participation is strongly encouraged. If you have not submitted your ballot for the recall and election for the new board members, please bring your ballot to the meeting, each vote counts to unify your community again and work on our requirements for the future.
