### Fire Season

We have all received an unwelcome reminder that we are in the midst of a very dangerous fire season. With the low rainfall and drought conditions, we have a very tough fire season ahead of us. It is imperative that Homeowners take the necessary precautions to protect their family members, pets and home.

For that reason, we are encouraging all Homeowners to take the time to visit the Los Angeles Fire Department and Ventura County Fire Department's websites. Both sites have valuable information on what you can do before, during, or after a fire. They also provide links to various sites that offer additional information, including some that are specifically for kids.

Please take a few minutes and visit these sites:

In the spirit of the Thanksgiving season, we'd like to offer a few suggestions of things to be thankful for that you many not have considered.

I am thankful for –

The taxes I pay because  
It means I'm employed...

The clothes that fit a little too snug because  
It means I have more than enough to eat...

My shadow who watches me work because  
It means I am out in the sunshine...

A lawn that needs mowing, windows that need cleaning and gutters that need fixing because  
It means I have a home...

The spot I find a the far end of the parking lot because  
It means I am capable of walking...

My huge heating bill because  
It means I am warm

All the complaining I hear about our government because  
It means we have freedom of speech...

The lady behind me in church who sings off key because  
It means that I can hear...

The piles of laundry and ironing because  
It means my loved ones are nearby...

The alarm that goes off in the early morning hours because  
It means that I'm alive...

Weariness and aching muscles at the end of the day because  
It means I have been productive.

This Thanksgiving, we hope you pause to give God thanks for all of this and more.

*Happy Thanksgiving*
